Quiet Influence: The New Wave of Leadership

Did you know that introverts have the most influence when they stop acting like extroverts and rely on their natural strengths? Learn how to implement the Quiet Influence Process and make the most of six natural strengths. Gain tangible tools to help you take quiet time and be a more engaged listener. Both introverts and extroverts will learn practical strategies for making the difference they were intended to make.

Learn:

- Why now is the time for introverts
- How to influence and lead as an introvert
- What results you can achieve
- What practical actions you can apply today!
