### Keynote Presentation

### The Introverted Leader: Building On Your Quiet Strength

Introverts ARE leaders. This inspirational and practical keynote demonstrates how introverts can use their quiet strengths to conquer leadership challenges. Extroverts and "Ambiverts" will also learn how to expand their leadership skills. All audience members will learn to use their natural style and flex to others.

Jennifer draws upon her latest research, stories and humor to demonstrate how organizations can harness introvert power. She will walk the audience through a well-oiled leadership and career development process called the 4 P's. Attendees will learn how *Preparing*, being *Present*, *Pushing*, and *Practicing* can help us all become the leaders we were meant to be.

#### Learn:

- A better understanding of the differences between I's and E's
- Challenges for introverts in a Type A workplace and practical tips for how to overcome them
- Customized suggestions to help your organization become a more introvert-friendly workplace
- Action steps that can immediately be applied
