

KALEIDOSCOPE

A glowing lightbulb with a colorful, faceted kaleidoscope inside, set against a blue background with sparkling stars. The lightbulb is the central focus, with its base visible at the bottom. The kaleidoscope inside is composed of many small, multi-colored triangles in shades of red, green, yellow, and purple, creating a vibrant, multi-faceted effect. The background is a deep blue with numerous white, starburst-like sparkles scattered throughout, giving it a magical and innovative feel.

"Kaleidoscope speaks to the fundamental values that drive innovative service: trust, authenticity and genuine care."
